

AGENDA

Aqua-gaps/MONET
Information meeting
30th of March 2021,
11:00-13:00 CET

Dear Colleague,

This is an invitation to join an online workshop to discuss the results and progress obtained within the Aqua-gaps/MONET aquatic passive sampling monitoring network in the period from 2017 to 2020.

The date of the meeting is set at 30th of March 2021 from 11:00 till 13:00 CET .

Check your local time on <https://www.timeanddate.com/time/map/> Note that CET is UTC +1 hour

This first meeting will inform on progress, procedures/methodologies, results and shortly look at the future. We will schedule 2 h for that, but it can be extended for collecting comments, suggestions, and questions from participants, which can be incorporated in the follow-up meeting, foreseen about one or two months later.
